

# Keep up with Your Active Life

## And Naturally Recover Faster

Most days you need to stay active to keep up with all of life's little events. The downside is, some activity can lead to soreness. That's why BounceBack® capsules were created—to give you back your freedom.

So whether you want to tackle your yardwork, join a pick-up game or run through the park, these capsules help **aid your body's natural recovery process**—so you can stay active.

Stay active and move more freely by taking BounceBack capsules today!

### Benefits (when taken over time):

- Supports your body's natural ability to recover from engaging in an active lifestyle.
- Aids the body's natural recovery process.
- Helps reduce typical muscle soreness experienced from engaging in an active lifestyle.
- Provides anti-inflammatory action with resveratrol and avocado soy unsaponifiables.
- Delivers antioxidant (vitamin C) support.
- Helps support joint health and comfort.
- Turmeric aids in digestion and is used as an anti-inflammatory to help relieve joint pain.

### FUN FACT

Our BounceBack capsules contain a combination of real-food ingredients that, when taken over time, work together to **aid the body's natural recovery process**.
