

# Mannatech Essentials™ **Collagen Chews**

## Product Training

# Product Overview

Collagen Chews is more than just collagen — it's a multi-benefit chewable supplement designed to strengthen 4 Dimensions of Skin Health: Structure, Biosynthesis, Nourishment, and Balance.\* By combining scientifically studied type I and III collagen peptides with vitamin C, biotin, and prebiotic glycans from acacia gum, Collagen Chews provides a superior approach to beauty from within.\* These ingredients work together to support skin structure, skin moisture, hair thickness, and nail health.\*
