

Support for Healthy Hormones From Naturally Sourced Ingredients

Sometimes when you aren't at your best, your endocrine system may be to blame. So give it a little extra help from **naturally sourced ingredients** and get back to feeling like yourself again. With support for your bones, prostate, colon and breasts, PLUS™ caplets deliver **vital nutrients** for a better life.

Get naturally sourced nutrients you need by ordering PLUS today!

Benefits:

- Support for bone, breast, prostate and colon health.
- Includes amino acids that play important roles in protein synthesis and normal functioning of the cardiovascular system.
- The ingredients in PLUS play an important role in the health of your immune, nervous and cardiovascular systems.

FUN FACT

A healthy endocrine system provides a full array of hormones that help regulate your cells and organs. That's why it's important to help keep it healthy with a unique blend of standardised nutrients.

100% Satisfaction Guarantee! If you try our products and are not completely satisfied for any reason, you can return them within 90 days of purchase for either an exchange of like products or a 100% refund.

COMPLEMENTARY PRODUCTS: These Mannatech products pair well with PLUS.

Manapol® powder – Manapol is 100% Aloe vera gel powder that is harvested from volcanic soil for ultra-purity. Including the very high molecular weight acemannan polysaccharides (1-2 million daltons) as defined by the American Chemical Society, Manapol provides a very rich natural source of glyconutrients. The special process by which Manapol is harvested and processed may provide for a more potent and effective source of glyconutrients.

Catalyst™ caplets – Catalyst caplets provide 100% or more of the Daily Value or vitamins A, E, the B complex vitamins (thiamin, riboflavin, niacin, pantothenic acid, B6, folate and B12); as well as magnesium, selenium, zinc and chromium.

Advanced Ambrotose® powder – Keep your immune system healthy with advanced immune support.
