

Associates relocating to another country of operation must notify the Company in writing. The Associate's account number and downline organization will remain intact.

Only Associates in good standing may transfer under this procedure.* Additionally, Associates may not exceed the number of positions allowed under the Multiple Position Policy as outlined in the Associate Policies and Procedures.

- When the Associate officially relocates, he or she must submit an Application and Agreement Form (listing the same Sponsor/Enroller of the original position) to the Customer Service department located in the new country of operation.

- No Associate fee is required.
- Mannatech reserves the right, in its sole discretion, to accept or reject any Associate Application and Agreement.
- Country Relocations are processed after all commissions are completed from the previous qualifying Month.

Associates are responsible for abiding by and following the Associate Policies and Procedures, laws, rules and regulations of any country of operation in which they are conducting their Mannatech business. Questions regarding this process should be directed to the appropriate contacts provided on page 2 of this document.

****Associate in good standing is one who has (1) renewed his or her position as required by the Company and (2) has not received a final compliance sanction precluding the Associate from participating in events and/or receiving recognition. A "Compliance Sanction" is considered final when (1) a ruling by the Compliance Committee is not appealed or (2) when an appealed compliance matter is decided by the Appeal Panel.***

Please refer to page 2 for contact information.
