# Earn Points While You *grow your business*

## HOW TO QUALIFY

Associates who earn the required points and meet all other requirements will qualify for the 2018 Achievers Club (Fiji). The more you earn, the bigger the Incentive package you will receive!

## ENROLMENTS

- Associates must make at least 12 NEW personal enrolments during the incentive period. At least 6 must be Associates and the remaining 6 can be Associates or Preferred Customers.
- New Preferred Customers must have a personal product order generated and shipped within the incentive period.
- New Associates must register as an Associate (AU49.95 / NZ55.00 / SG55.00) AND have a personal product order generated and shipped within the incentive period.

## 1 POINT = 1 PV

- Associates earn 1 point for every PV earned on product orders by new enrollees. (Associate/Preferred Customer) during the incentive period.
- Points can be earned on Automatic and One-Time Orders.

## MAINTAIN

- Associates must maintain or exceed their personal leadership level at least 4 out of 5 months during the incentive period at their paid Associate/Leadership level at the end of January 2018. This is based on Associates' highest position.
- Associates must maintain or exceed their Downline Point Volume (DPV) at least 4 out of 5 months during the incentive period at the volume achieved at the end of January 2018.
- Associates must have a minimum 150 PPV order (of which 150 PV is personal) EVERY month during the incentive period.

## MAXIMISE!

- Earn double points: When a new enrollee places a product order (minimum 150PV) for ALL 5 months of the incentive period, Associates will earn double points on that enrollee's order in the fifth month.
- The Top 3 Associates (based on points earned) will receive a VIP experience.

## TRACK YOUR PROGRESS

- Associates must complete and return a point tracker form to [custserv@mannatech.com.au](mailto:custserv@mannatech.com.au) by Friday 13 July 2018. Download tracker at [library.mannatech.com/8671](http://library.mannatech.com/8671).
