

Abundant, Natural Health At the Cellular Level*

Better health starts with your cells. When cells talk to each other effectively, **your entire body can benefit**. One of the most natural sources in the world, aloe, has been shown to contain nutrients you can use so your cells can communicate better.*

Manapol is a 100% aloe vera gel powder that's harvested from volcanic soil for ultra-purity. You can't get a richer, **natural source of Glyconutrients** anywhere in the world. This means that every time you take Manapol, you're giving your body what it can use to help achieve optimal health. With an added bonus of digestive support, it's a powder that helps your overall **health from the cells up**.*

For natural health that begins with your cells, order Manapol powder today!

Benefits:

- Supports cellular communication for overall better health.*
- Proprietary extraction provides a more potent, stable acemannan content for **superior immune, brain and digestive support**.*
- Supports cell-to-cell communication through a blend of specific plant saccharides including an abundant source of Glyconutrients.*

FUN FACT

Although there are more than 200 varieties of the aloe plant that have been classified, there is only one that yields the highest levels of acemannan from the purest sources—ours.
