

MannaBears®

Fun, Tasty & Good for You!

Natural source of **Glycans**

Full of **natural** ingredients

Naturally coloured and flavoured

Delicious

Ingredients:

Tapioca syrup, cane sugar, purified water, vegetable gums (pectin 2.1%, acacia, tragacanth gum), citric acid, fruit powders (amla fruit powder, raspberry powder), natural colours (anthocyanins), natural flavours, xylitol, vegetable powders (broccoli sprout, broccoli, carrot, kale, tomato, spinach), Aloe vera inner leaf gel extract powder, Manapol® Aloe vera extract

Enjoy a gummy that's as nutritious as it is delicious.

Packed with Glycans like pectin and Manapol, Mannatech's pure Aloe vera extract, MannaBears also deliver a boost of phytonutrients from real fruits and vegetables - raspberry, broccoli, carrot, tomato and spinach. Perfect for kids... and adults who love a tasty, healthy treat!

Benefits

- Full of natural ingredients including: amla, cranberry, raspberry, broccoli sprouts, broccoli, carrot, kale, tomato and spinach.
- Naturally coloured and flavoured, and sweetened with tapioca syrup and cane sugar.
- Incredibly delicious!

Recommended use

Children ages 4 and up. Take four MannaBears pectin gummies daily. Chew thoroughly before swallowing. Children should be supervised by an adult.

Excessive use can have a laxative effect. Suitable for vegans.

Do not use if inner seal is missing or broken. Store in a cool, dry place.

Vegan Friendly | **No MSG** | **Gluten Free** | **Dairy Free** | **Soy Free**
