TOP FAQ:

1. What are the advantages of using the complete 3-Step System?

By using all three steps in the Uth Face system, you can achieve beautiful, age-defying skin. Our easy, 3-Step System utilizes nature's most prized beauty secrets to cleanse, revive and moisturize your face. This system gently improves skin tone, firmness, elasticity and reduces the appearance of fine lines and wrinkles.

2. Why should I use both the Uth Moisturizer and the Uth Skin Rejuvenation Crème?

These two products have their own unique ingredients that independently provide nourishment and restorative benefits. Additionally, they work together to maximize the overall results you will see from using the Uth 3-Step System.

3. Why was myrtle leaf extract chosen for the Uth Moisturizer?

This extract is rich in galactose-containing oligosaccharides which are known for reducing the appearance of fine lines and wrinkles.

4. What are the benefits of having helianthus annuus (sunflower) seed oil in Uth Moisturizer?

Sunflower seed oil is known for providing moisture and reducing the appearance of dry, flakey skin.

5. Why are Glyconutrients[†] important for skincare products?

In skincare, similar to ingesting supplements, Glyconutrients help optimize the results of each product. They absorb down into the deepest layers of skin, providing hydration and nourishment your skin needs.

COMPLEMENTARY PRODUCTS:

Uth Skin Rejuvenation Crème: Can increase skin firmness, elasticity, and texture, giving your skin a soft, smooth appearance while reversing the signs of aging.[‡]

Uth Facial Cleanser: Gentle enough for daily use, the Uth Facial Cleanser helps your skin feel smooth and polished, removing dirt and irritants, revealing a brilliant glow.

DIRECTIONS: After the Uth Skin Rejuvenation Crème is absorbed, apply Uth Moisturizer to the delicate area around the eye and to the face, neck and décolleté.
