

Guard Yourself Against Harmful Toxins With a Boost of Antioxidants

U.S. product shown.

From stress, pollution, processed foods and even aging, your body produces free radicals on a regular basis. This creates a chain reaction in your cells that can lead to damage and challenge your overall health.

Fight back against oxidative stress caused by free radicals with our clinically proven Ambrotose AO[®] capsules. With superior protection against oxidative stress, the real-food ingredients in our capsules **help keep you guarded** against the stresses the world is putting on your body.

Start winning the fight against toxins by ordering Ambrotose AO today!

Benefits:

- Fights against free radicals to help you stay healthy.
- Helps the body cope with the harmful effects of oxidative stress.
- An abundance of vitamins C and E help guard your body's cells.
- Additional immune support.

FUN FACT

There is nothing you can do to stop the production of free radicals. In fact, even the healthiest person may have free radicals attacking their cells an estimated **10,000 times every day!**
