MANNATECH ESSENTIALS™ COLLAGEN COLLAGEN PEPTIDE DRINK MIX

From your mid-20s, your body produces 1-2 % less collagen each year. By your 60s, you may have lost up to 50 %, leading to visible skin aging and weaker connective tissue.

Stress, lack of sleep, and environmental damage only accelerate the process. That's why we created Mannatech Essentials™ Collagen – A next-generation collagen supplement designed to help you stay radiant and strong.

MANNATECH ESSENTIALS™ COLLAGEN is a combination complementary medicine that may assist to maintain healthy skin, strong joints and promotes a healthy inflammatory response.
