MANNATECH

How It Works

For the Enrollee (New U.S. or Canadian Associate):

- Enroll between August 1–31, 2025, and place a one-time or subscription order with a **minimum $100 product subtotal** (excluding the $49.99 Business Registration fee) to receive **one (1) FREE bottle of TruHealth Satiety (SKU 10701)** with your first order.
- The free item is non-negotiable: no substitutions, exchanges, cash equivalents, MGC points, or refunds.
- The qualifying order must be placed at the time of enrollment and cannot be split across multiple orders or combined retroactively.
- Orders exceeding $100 still receive one (1) free bottle; multiples or escalations do not apply.
- New Associates must be real, verifiable individuals who intend to actively participate in the Mannatech business. Enrollments must use the individual's **own unique payment method, billing address, and contact information**, which may be verified by SMS, email, or other means.

For the Enroller (Existing Associate):

- Rewards are based on the number of qualifying New Associates you personally enroll and sell to during the promotion period: **August 1–31, 2025**. Rewards are issued as MGC points after the promotional period closes.
- Reward Milestones (non-cumulative):
  - **1 New Associate:** 2,500 MGC ($25 USD value)
  - **3 New Associates:** 10,000 MGC ($100 USD value)
  - **5 New Associates:** 50,000 MGC ($500 USD value)
- 10 New Associates: 200,000 MGC ($2,000 USD value)
- You'll receive the reward for **only the highest milestone you achieve.**
- Enroller assistance of any kind (financial, incentives, or reimbursements) is strictly prohibited.

Qualification Requirements & Anti-Gaming Measures

- **Minimum Purchase:** $100 product subtotal (excluding Business Registration fee). Orders must represent legitimate, personal consumption or resale—not bulk buys for qualification.
- **Promotional Period:** Orders and enrollments must occur between **12:00 AM August 1, 2025, and 11:59 PM August 31, 2025 (local time).**
- **Verification & Authenticity:**
  - New Associates must provide valid government-issued ID, a unique phone number, and a unique email address.
  - Enrollments from the same household, family, IP address, device, or shared payment method may be flagged and reviewed.
  - Payments must originate from the New Associate's own funds—**third-party payments are prohibited.**
- **Exclusions:** Not valid for Preferred Customers upgrading to Associate, account reactivations, or account transfers.
- **Compliance:** All activity must comply with Mannatech's **Compensation Plan, Code of Ethics**, and applicable laws.

Prohibited Activities
