

Fill in Where Your Food Falls Short With Naturally Sourced Nutrition

Many modern diets fail to supply the body with all it needs for optimum health. This means **you may not be getting enough nutrients** every day.

That's where NutriVerus® comes in. It provides **naturally sourced vitamin and mineral complexes** to help you absorb more of what your body can use. With potent amounts of vitamin D and a powerful antioxidant formula, **this powder protects and promotes better immunity.**

Bolster your diet with real-food nutrition by taking NutriVerus today!

Benefits:

- Provides antioxidant support.
- Supports a healthy immune system.
- Supports healthy skin, organs and brain.
- Aids in healthy digestion.
- Full of Glyconutrients to help cell-to-cell communication.

FUN FACT

The minerals found in NutriVerus are naturally-sourced. This means that your body is able to get minerals—that are vital to health—naturally!

COMPLEMENTARY PRODUCTS:
These great Mannatech products pair well with NutriVerus:

Advanced Ambrotose®

Ambrotose powders are formulated with a specialized blend of special plant saccharides called Glyconutrients to support your immune system. With an added bonus of digestive system support, these powders help keep your health at its best.

Catalyst™

Catalyst caplets provide vitamins A, E, the B complex vitamins (thiamin, riboflavin, niacin, pantothenic acid, B6, folate and B12); as well as magnesium, selenium, zinc and chromium.

ImmunoSTART®

Designed to help your body defend itself against everyday stresses, these tablets help give your immunity a natural kick so you don't have to slow down.
