

*How to set up a Mannatech
Pay account*

- To set up your Mannatech Pay account, please select the activation link you received via email mannatech@globalewallet.com

- Your Mannatech Pay account is now activated. Click on the link or you can go directly to the following website using your browser: <https://Mannatechpay.globalewallet.com>

➤ Enter your Username and Password that you received in the registration email.

The screenshot shows a web browser window with the address bar displaying `mannatechpay.globalewallet.com/MemberLogin.aspx`. The page has a blue header bar with navigation links for [Home](#), [Support](#), and a language selector for [English](#). The main content area features a light green and blue geometric triangle pattern. In the center, the Mannatech logo is displayed above a login form. The form consists of two input fields: 'USERNAME' with a person icon and 'PASSWORD' with a lock icon and a toggle eye icon. Red arrows point to each of these fields. Below the fields is a dark grey 'SIGN IN' button. At the bottom of the form, there is a link that says 'Forgot your username or password?'.

Before proceeding, watch the video with instructions on how to set up your Mannatech Pay account.

The screenshot shows the Mannatech eWallet Setup interface. At the top, the Mannatech logo is on the left, and 'Logout' and 'English' are on the right. Below the logo, 'eWallet ID: Z12-32-48376 (ip001)' is displayed. The main heading is 'eWallet Setup'. A 'Video' icon with a play button is visible. A large video overlay is centered on the screen, featuring a blue background with white sparkles. The overlay contains the text 'i-payout' in a stylized font, with 'i' in a circle, and 'HOW TO SETUP YOUR ACCOUNT' in bold capital letters at the bottom. A 'CLOSE X' button is in the top right corner of the video overlay. On the left side of the setup page, there is a 'Step' indicator and a list of users: 'Beth', 'Willie', and 'Fern'. At the bottom, there is a language dropdown menu set to 'English'.

Review and update your account information

➤ Step 1: Personal Information

Logout  English ▼

eWallet ID: Z12-32-48376 (ip001)

eWallet Setup [Video](#) 

Welcome to Mannatech eWallet. Please verify and complete your registration.

Step 1: Account Information

- Please enter your name and other information exactly as it appears on your legal documents like passport or ID card to avoid delays in processing your transactions.
- If you need to change your name in the future, you will need to contact your Mannatech back office.
- You may be required to send a proof of identity, if your information could not be validated.
- P.O. Box addresses are not supported

➤ *Step 2: Tax ID information*

Step 2: Identification

Enter your Social Security Number (for IRS tax returns, form 1099)

123456789

➤ *Step 3: Review and Agree to the Terms and Conditions*

Step 3: Agreements

- ☒ I have verified that all of the information shown is correct.
- ☒ I agree to terms & conditions. [Click here to read Terms and Conditions](#) | [Privacy Policy](#)
- ☒ I have viewed and agree to fee schedule. [To view the eWallet fees, click: Fee Schedule](#)

- Step 4: Set up your transaction PIN and answer your Security Questions. Select **Continue** once you have entered your answers.

Important!

Save your transaction PIN and do not share it with anyone for security reasons.

The security questions and their answers should be different, and you cannot respond with personal information already added to your account (e.g., your last name or any word included in your address).

Step 4: Transaction PIN

- Your Transaction PIN is an extra layer of security.

- You will be asked to enter this PIN before completing any transaction within your eWallet.

- Please enter any 4 - 6 digit number of your choice as your transaction PIN.

....

....

////////////////////////////////////

An answer to a security question will be required to reset your PIN. An answer cannot match with your first and last name, your email address, PIN, and phone numbers.

Select any three different questions:

Type answers:

1.

What is your mother's maiden name?

▼

Name

2.

What is the name of your first school?

▼

School

3.

Who is your favorite actor, musician, or artist?

▼

Artist

Multifactor authentication (MFA) adds an extra layer of protection to the login process. If you enable this option, when accessing a Mannatech Pay account, you will need to enter your username and password and then a code generated by an app on your phone. This step is **OPTIONAL**.

Multi-Factor Authentication

**STRONG SECURITY MEASURES
ARE MORE IMPORTANT THAN EVER**

The global threat landscape is constantly evolving, and attacks are on the rise.
In 2022, 1 billion emails were exposed, and half of internet users had accounts breached.

Username and Passwords are no longer adequate on their own.

!! We strongly recommend enabling Multi-Factor Authentication on your account !!

Multi-Factor Authentication (MFA) is a powerful tool to verify your identity in addition to your Username and Password. In simple terms, a trusted application is downloaded onto your mobile device.
The application generates a one-time code that is required in addition to your normal credentials.
This feature will also enable faster reset of information such as password and PIN.

Setting up the MFA application on your phone and adding it to your wallet will only take several minutes, however, will provide you with the peace of mind that your funds are more secure. Click the **SETUP NOW** button and we will walk you through the process step by step.
