

5 Ways to Help

Purchase: Every Mannatech Purchase Counts

Your everyday Mannatech purchases are more than just products; they're a lifeline for hungry children. Every purchase contributes to donating PhytoBlend to children in need.

Donate: Give Hope with your Generosity

Visit www.m5mfoundation.org

You can make an immediate impact by donating money at m5mfoundation.org. Your generosity not only provides nutrition but also adds you to an exclusive email list for updates.

Fundraiser: Build a Stronger Community

Host a Community Fundraiser

Engage with your community in a meaningful way by participating in a fundraiser.

Get ready for exclusive recognition, heartwarming stories, and even personalized value like pins, certificates, and recognition at Events.

Packing Party: Come Together For A Cause

Combine Fundraising with Fun!

Join us for a Packing Party, where fundraising meets fun and purpose. Connect with Sarah to organize one in your area and receive a visit from a local Associate.

Community Outreach Trip: Be The Change

Experience the true impact of your efforts by taking part in a Community Outreach Trip. Serve food, distribute meals, and help create playgrounds for children in need.

Reach out to Sarah to get involved.

Become an M5M Champion

Give monthly: A recurrent gift of **25 usd a month**, allows **30 children** to receive **30 day supply**

MISSION 5 MILLIONSM

Powered by

The **M5M Foundation** is an independent 501c (3) non-profit charity organization that serves to **bring hope and nutrition to malnourished children around the world.**

Our mission

To combat the effects of global malnutrition by providing food-sourced supplements to children in need.

Our vision

To sow seeds of nourishment and hope, by delivering more than five million servings of essential nutrition annually, to children in need worldwide.

Roughly 100 MILLION CHILDREN under five years of age in developing countries are underweight and 150 million are malnourished.¹

Undernutrition can hinder brain development, reduce intellectual capacity and stunt growth.²

WITH ONLY 25¢, YOU CAN PROVIDE FOOD AND ESSENTIAL NUTRIENTS TO SOMEONE IN NEED. A healthy blend of vitamins and minerals is important for children. However, meals in underdeveloped countries typically do not meet the minimum nutritional criteria.

Our goal with PhytoBlend™ powder is to introduce proper nutritional support through naturally sourced supplementation that can be integrated into a regular diet. Partners of the OneMeal program add the supplement to a non-GMO meal.

PhytoBlend™ is a product* that bolsters the nutritious value of food and helps support nutritional requirements.

- Contains many natural vitamins, minerals and phytonutrients to promote and maintain good health and vitality.
- Easily added to food or drink so children can take supplement without even noticing it.

Nourishing Children Around the World Every Day

Mexico, Bahamas, Dominican Republic, Nicaragua, Guatemala, Ecuador, Peru, Armenia, Ukraine, Rwanda, Liberia, Sierra Leone, Eswatini, South Africa, Kenya, Tanzania, Uganda, Zambia and Philippines.

Our Partnership with Kids Around the World

At Kids Around the World, the mission of their Food Program is to meet the needs of hungry children affected by poverty, war and natural disasters by empowering people to serve.

They have provided over 65 million meals and much needed nourishment to children in 33 different countries, including the U.S. and developing countries across the globe.

Ensuring the highest quality nutrition to the children we serve is a top priority for M5M and KATW. Our PhytoBlend product is a key element in the "OneMeal" meal formulation and has been since our partnership began over 5 years ago. As a plant-based source of 21 essential vitamins and minerals, PhytoBlend ensures we are providing improved nutrition to children across the world.
